

## Sierra Art Trails 2008 Catalog Cover Contest

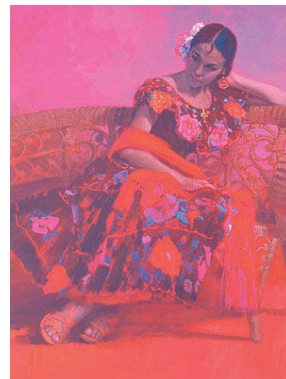

Sierra Art Trails is looking for an artist to create the cover art for the Sierra Art Trails 2008 catalog. The catalog is a highly visible publication seen by thousands of visitors, community members, and other artists. The artwork chosen will also be used for show invitations, posters, flyers, and other advertising materials associated with the event. In addition, the artist whose work is chosen will have their Sierra Art Trails 2008 participation fees waved! Have Fun and Good Luck!

This is a fantastic opportunity to get your work before the public. If you would like to submit, this is what you need to know! To enter the contest, simply indicate on your Image ID Sheet that you want to be considered for the cover. Up to 3 additional images can be submitted along with your application for the Cover Contest.

- Artists who submit work for the catalog cover must also be planning to participate in Sierra Art Trails 2008, and must submit their Sierra Art Trails application to qualify for the cover contest.
- Images to be considered as cover art should be submitted along with your Art Trails application.
- The contest is not limited to images in traditional 2D media. High quality images of sculpture, ceramics, jewelry, and other forms will be considered.
- Please indicate on your image ID sheet if you are submitting images that are specifically for the Cover Contest.
- Layout, titles, etc, are not needed, but choose your images based on how well they might work with the text on the cover.
- The cover contest is juried by the Sierra Art Trails Catalog Development team.
